(East Oregonian Special.)  
ECHO, Ore., May 16.—Echo's first baseball game was played here Sunday on the diamond just leveled in Echo's new city park. The game was between Echo and Weston. It was a walkover for the home team from the first. The score was 15 to 3 in favor of Echo. Weston's catcher, Blomgren had a finger broken. There were about four hundred present to witness the game. The day was perfect.

## SOCIAL AND PERSONAL

Miss Cora M. Rott has accepted a position in the public schools of Great Falls, Montana at the salary of \$240 per year.

The Candidates' Ball given last evening at Stanfield proved one of the biggest social events ever held in that town, many attending from Pendleton as well as all of the west end communities. Quite a number of the candidates for nomination at the Friday primaries responded in person to the invitations. Music was furnished by the home orchestra of which Lloyd Riches is manager.

Among the candidates present were County Clerk Frank Saling; Treasurer G. W. Bradley and Mrs. Mabel Wolfe, candidate for his office, Dr. J. A. Best, candidate for representative, Osmer E. Smith and Homer I. Watts, candidates for district attorney, Ralph Folsom, candidate for coroner and George A. Cressy of Hermiston, candidate for the democratic nomination for commissioner.

Among others present were Mrs. R. N. Stanfield, Miss Fonda Wolfe, Mrs. John Carroll, Tom Hill, Elmer Turner, Leslie Gibbs and R. W. Fletcher of Pendleton and Mrs. Homer I. Watts of Athena.

Mrs. Frederick E. Judd yesterday afternoon entertained the Duplicate Whist Club.

Mrs. Dean Tatom entertained informally Saturday afternoon at a sewing party.

Dr. and Mrs. W. T. Phy of Spokane stopped off in Pendleton a short time yesterday en route home from a week-end visit at Hot Lake.

### ROBERTSON SAID TO BE FASTEST MAN IN BASEBALL

DAVE ROBERTSON.

Some of the baseball experts, who like to figure out the little details in baseball, think that Dave Robertson, of the New York Giants is the fastest man in the national game. Some of them say that Robertson is faster than Ty Cobb, on the bases, and that he could easily lower Hans Lobert's record of 13 4-5 seconds for circling the bases.

Bert Shotten of the St. Louis Browns is another fast man. When Shotten goes to bat the infielders usually draw in about ten feet. Shotten is so fast that an infielder playing the ordinary position cannot field a bouncer and throw to first fast enough to intercept Shotten.

Flower Thieves Busy.  
Severe complaints are made by various local people against parties stealing or destroying flowers growing in the yards of local homes. Last evening the lawn of M. B. Keys at 511 Aura street was raided and many pretty flowers stolen or destroyed. The parties committing the outrage climbed over a wire fence and dropped some of the flowers in escaping. Similar complaints are also made by several residents on the north side of the river. In one case a beautiful blue bush was broken down and almost destroyed. In another recent case some girls from an auto were seen raiding a beautiful flower garden at a home on Riley street. It is probable arrests will follow if the depredations continue.

A FEARLESS PHYSICIAN.  
Such a physician recently remarked: "The wonderful power of Lydia E. Pinkham's Vegetable Compound over diseases of women is not because it is a stimulant, not because it is a palliative, but simply because it contains the very elements needed to tone up the female system and strengthen the depleted organism." Of course that is so, otherwise it could not succeed as it has.—Adv.
